Professional Experience

Sales Associate (Ceramic Tiles) December 2021 - June 2023

Worked as a sales associate for a ceramic tiles retailer based in Kedah. This work experience has enabled me to polish my soft skills such as managing multiple assigned tasks simultaneously, work under pressure, do things with speed and efficiency, communicate effectively, provide good customer service, and work as a team.

Restaurant Service Crew January 2020 - September 2020

Worked as a service crew for a renowned dim sum restaurant in Kedah during secondary school. This work experience has taught me the basic fundamentals of working in a real workplace.
